

MORRIS MOTORS PROGRESS BOOKS EXTRACTS

MORRIS EIGHTS Pre-war Series E

These are taken from the Progress Books housed at the archive in Gaydon.

Each page of a Progress Book lists 30 vehicles, so each line in what follows summaries one page.

The dates quoted are for the start of the build, which normally took several days.

Note that this list is in order of chassis number and that the start dates were not always in sequence.

CH.No.	DATE	4dr-Fix	4dr-SIH	2dr-Fix	2dr-SIH	Tourer	2-str	Chassis		TOTAL
